TO WHOMSOEVER IT MAY CONCERN

Skill and knowledge is the driving force of the economic growth and development of any country. The talent pool of the country needs to be adequately skilled. There is increased understanding of the importance of skill development as a vehicle for inclusive growth. Keeping in mind this objective, **Mi2C Security & Facilities Pvt Ltd.** has developed its own fully equipped skill development academy, namely **Mi2C Skill Development Academy**, in Delhi.

Shobhit University, Meerut has been doing a pioneering work in the field of vocational education and has launched unique initiative towards empowering the Nation through vocational education to improve skill level even to the population living Below Poverty Line (BPL).

Accordingly, in order to bridge the gap between the certified education have and have not, synergizing the efforts done individually by Shobhit University & **Mi2C-Skill Development Academy** is the need of the hour.

Shobhit University, Meerut is, therefore, pleased to **accredit Mi2C-Skill Development Academy**, to work in tandem and strengthen its resolve in the arena of **Skill Development & Vocational Education**.
